The University of Houston presents
Research in Germany Faculty and Student Career Event
from Research in Germany (RiG)

At the heart of Europe, Germany is one of the best destinations for cutting-edge scientific research. Why not consider a research stay in Germany starting your independent research group at one of Germany's leading universities or research institutions, or engage in research cooperation with Germany? We invite you to join this event to learn about funding opportunities and special programs to foster independent research careers in Germany.

And bring your students!

Wednesday, February 14

3:30 p.m.-4:30 p.m.

UH Student Center South, Space City Room, Second Floor

A networking reception will follow the information session
