

Help us communicate scientific research better!

Are you interested in scientific research, but don't have time to read the whole paper?

Researchers at The Rockefeller University are collecting data on a variety of research summaries.

All science-interested participants are needed including science professionals, undergraduates, and members of the general public.

You may be eligible if you:

- > Are at least 18 years of age
- > Have access to a smartphone, tablet or computer

Participation includes:

- > Indicating career and learning preferences
- > Review of a scientific presentation and follow-up questions
- > The whole survey will take 25 minutes or less to complete
