

IELTS PREPARATION COURSE

The IELTS Preparation course covers each section of the exam (Speaking, Listening, Writing and Reading) in detail so that students are familiar with the procedures, timing, tasks and scoring. In this course students will:

Acquire strategies and vocabulary to use on each portion of the exam

Practice each portion of the test and get feedback on their performance

Gain insight about every aspect of the test and learn test taking strategies

\$540 for ten weeks of instruction, four hours a week
